

Memorial Hermann Online Resources

A Quick-Start Guide for New Team Members

This guide covers the key online tools and portals you will use as a Memorial Hermann employee. It is intended as a companion reference for orientation — bookmark it, print it, or save it to your phone for easy access during your first few weeks.

Sections covered: OneSource Intranet, Workday, allHR Portal, MHU Online, Medical Staff Roster & Privilege Lookup, and PolicyTech.

1. OneSource — The Memorial Hermann Intranet

OneSource is the central employee intranet. From here you can launch clinical applications, access internal tools, read system news, and check notifications. It is available from any hospital workstation or via the Remote Access Portal.

URL: mhone.memorialhermann.org/home

Remote Access: memorialhermann.workspaceair.com

Key Areas of the Page

- **Top Navigation Bar** — Physicians, About MH, Locations, Business Units, Patient Care, Resources, Education, Policies, eHR
- **ESSO / Corner Apps** — Quick-launch tiles for Cerner EMR, Centricity Web, Corner Scheduling, Dragon Medical One, HIM Completion, HIM Retrieval, ISD Service Portal, OR Control Tracking, and Soarian
- **Favorites Bar** — Your customizable bookmarks for frequently used tools
- **MH Now** — System-wide news, events, and announcements
- **Notifications** — Outage alerts, cyber status (CYBERCON level), and system updates

Suggested Favorites to Add

Click the + button on the Favorites tab to add these:

Infor XM Expense Management	Medical Staff Roster	Policy Tech
TMC CE Travel & Certification	MH Flu Registration	UpToDate
MHU Online	My Time and Schedule	VRS (Variance Reporting)
HPCPS Code Checker Inpatient	Online Service Request (OSR)	Workday
AMION	Maintenance Service Request	

2. Workday

Workday is your primary portal for employment information — career path, pay, benefits, evaluations, and time off. Access it through OneSource or directly at:

URL: wd5.myworkday.com/memorialhermann

Once logged in, click the **Menu** tab (top-left) to access the following sections:

- **Time Off** — Request leave of absence, view available PTO balance
- **Personal Information** — Change contact info, addresses, and emergency contacts
- **Career** — Internal job opportunities, referrals, and job history
- **Pay** — Set up direct deposit, view historical pay stubs, W-2, and Easy Pay
- **Benefits** — Benefit elections, allHR portal link, mySedgwick, and Tuition Reimbursement

Accessing Pay Stubs

1. Log in to Workday
2. Click **Menu > Pay**
3. Click **Paycheck Stubs & eW-2**
4. Select the pay period you want to view

Tip: Set up direct deposit before **10:00 AM Monday** of your first payroll cycle. If not set up in time, you will default to an ePay card. Navigate to Workday > Menu > Pay > Direct Deposit(s)/Pay Card.

3. allHR Portal (Human Resources)

The allHR portal is your personalized employee portal for Human Resources and Payroll information. Access it through Workday under **Benefits > External Links > allHR**.

The portal includes sections for:

- Benefits & Enrollment Microsite
- Policies
- MHU Online
- Leader Toolkit
- Executives & Physicians
- HR Toolkit

At the bottom of the allHR page you will also find **Important Contacts** (benefits, HR shared services, payroll), **Helpful Information** (employment, leave, certifications, Workday), and **Quick Links** (OneSource, MH Connect, Partners in Caring, Labor Usage).

PTO & Holidays at a Glance

Full-time and part-time employees accrue PTO starting on their first day. Accrual rates depend on exemption status and years of service. The maximum PTO carryover is **240 hours** per fiscal year.

Exempt Full-Time	Years of Service	Accrual Rate
	0–9 years	160 hrs/yr (6.15 hrs/period)
	10–19 years	184 hrs/yr (7.08 hrs/period)
	20+ years	200 hrs/yr (7.69 hrs/period)

Designated Holidays (7 paid): New Year's Day, Martin Luther King Jr. Day, Memorial Day, 4th of July, Labor Day, Thanksgiving Day, Christmas Day

Full-time employees also receive **2 Personal Holidays** and **1 Spiritual Holiday** each year.

4. MHU Online — Education & Training

MHU Online is the learning management system for all required training modules, continuing education, and compliance courses. Access it through OneSource under the Favorites tab or search bar.

Getting Started

1. Find **MHU Online** under the OneSource search bar or Favorites tab
2. Once redirected to MHU Online, select the **Navigation Menu** icon (hamburger menu, top-right)
3. Select **View Your Transcript** to see modules that are currently due, or review previously completed modules
4. Use the **drop-down menu** to filter by **Active**, **Completed**, or **Archived** module activities

Tip: Check your transcript regularly — the Annual Regulatory Curriculum and other compliance modules have firm deadlines. Overdue modules can affect your employment status.

5. Medical Staff Roster & Privilege Lookup

The Medical Staff Roster is a tool to look up all providers (including fellows and residents) that operate within the Memorial Hermann Health System. You can view contact information, office locations, and hospital privileges.

Access it through OneSource under the **Favorites** tab or search "Medical Staff Roster."

Looking Up a Provider

1. Type the **provider's last name** (or even just the first few letters)
2. Click **Submit**
3. Select the **facility code** (e.g., TMC, MHE) next to the provider's name to see their details at that location

The detail page shows facility privileges, current status, faculty appointment, primary and additional specialties, office address, phone numbers, pager, and NPI number.

Viewing Clinical Privileges (MSOW / VerityStream)

1. From the provider detail page, click **View Privileges** at the bottom
2. This opens the **MSOW (VerityStream)** portal in a new tab
3. Select **Find Facility** — type "H" and choose your facility (e.g., Memorial Hermann Texas Medical Center)
4. In the **Find Practitioner** field, retype the provider's last name
5. Hit **Enter** to view the full privilege list

What you will see:

- **Physicians** — Privileges organized by category (age-specific, Category I through III) covering scope of practice and specialty procedures
- **APPs** — Category I Core Privileges (prescriptive authority, rounding, documentation, diagnostics, discharge) plus Category II Specialty Privileges listing specific procedures with minimum numbers for initial privileging

Tip: Before asking a colleague to perform a procedure or co-sign an order at a specific facility, you can verify they hold privileges there. Especially useful for covering providers, moonlighters, or consulting teams you are not familiar with.

6. PolicyTech — Hospital Policies & Procedures

All Memorial Hermann hospital policies and procedures are available on the PolicyTech intranet portal. This is where you look up clinical protocols, safety procedures, documentation standards, and departmental guidelines.

URL: memorialhermann.policytech.com

Note: Only accessible from the hospital network or via the Remote Access Portal.

How to Find Policies

1. Navigate to the PolicyTech URL above
2. Use the **search bar** to look up policies by keyword or policy number
3. Browse by department or category to find relevant procedures

Key Policy Categories to Know

- **Infection Control** — Hand hygiene, PPE, isolation precautions
- **Patient Safety** — Fall prevention, medication safety, restraint use
- **Code Procedures** — Code Blue, Rapid Response, Code Stroke
- **Documentation** — Charting standards, verbal order policies
- **HIPAA / Privacy** — Patient information handling and disclosure

Tip: Add PolicyTech to your OneSource favorites. You will reference it frequently during your first few months — especially for unfamiliar isolation protocols, restraint policies, and code procedures.
